Elanor is a young folk quintet from Gent also featuring Thomas Hoste on the hurdy-gurdy, plus piper Bart Praet, accordionist Beert Leemans, guitarist Kuni Quintens and bass player Jelle van Cleemputte. Starting out only last year they play driving dance music, rootsy but with an experimental edge. Their debut EP features four tunes - a mazurka, a bourree and a tarantella composed by Bart Praet and a jig-like tune by Thomas Hoste.
